LAB SAFETY VIDEO

https://www.youtube.com/watch?v=9o77QEeM-68
LAB SAFETY BEGINS BEFORE YOU GO INTO THE LAB!

- Always read through the lab instructions before you go into the lab
- Ask if you have any questions or do not understand something!
PROPER LAB BEHAVIOR

- No horseplay is allowed in the lab
- Never indulge in horseplay or behavior that could lead to injury of others
DRESSING FOR THE LAB

- Use goggles/safety glasses, gloves, and lab aprons when instructed to do so
- Close toed shoes must be worn at all time
- Tie up your hair if your hair is long
IN THE EVENT OF AN ACCIDENT IN THE LAB...

- Report all accidents—regardless of how minor—to your teacher!
- For minor skin burns, immediately plunge the burned area into cold water and notify the teacher.
- If you get any chemical in your eye, immediately wash the eye with the eye wash fountain and notify the teacher.
- Immediately notify the teacher of any chemical spill or if any glassware has broken.
AT THE END OF THE LAB...

- Wash and dry all equipment and clean up your lab area
- Return all lab materials and equipment to their proper places after use
- Dispose of all chemicals as directed
